

PRAYER WALK WEEK
15 - 22 MARCH

A number of 2261 **churches are coming together to commit to a week of prayer walking our neighbourhoods and communities.** This is an opportunity for the Church to **contend in prayer for the places we're planted:** Our neighbouring homes, schools, and businesses by blessing them as we go, even if they never know.

WHAT THIS IS

Prayer walking is a simple practice of walking through your neighbourhood while praying for the people + places around you.

It's about carrying an awareness of God's presence within you as you go, and becoming attentive to where He may already be at work in the neighbourhood.

As you walk:

- Notice what draws your attention.
- Ask what might draw the Lord's attention.
- Pay attention to the people, places and needs around you.
- Gently speak a blessing over homes, streets, schools and businesses as you pass.

WHAT THIS ISN'T

**This is not a door-knocking exercise
or a form of organised outreach.**

There is no expectation or agenda to
start conversations or interact with
people.

**Instead, it's about quietly walking,
praying, and blessing — trusting
that God hears and that our prayers
matter.**

TRACKING WHERE WE PRAY

We'll be using the Holy Here app to track where we've walked so that, together, we can cover as much of our neighbourhoods as possible in prayer.

PRAYER WEEK

A number of 2261 churches are coming together to commit to a week of prayer walking our neighbourhoods and communities. **We'll launch this**

gathering on Sunday 15th March 9:30 at

Coast Community, Tumbi. Even if you

can't attend, you're still encouraged to participate in Prayer Walk Week! You can do so by joining your **local**

Neighbourhood WhatsApp Group.

We'll be using the **Holy Here app** to track **where we've prayed** so that, together, we

can cover as much of our neighbourhoods as possible. **The week will conclude on**

Saturday 21st with a Pizza Gathering at

Grace Community, 5:30-7:30 Banksia

Centre, to share stories, reflections, and celebrate what God has been doing in our streets and neighbourhoods.
