

# Kingdom Culture

sermon on the mount series

December 10th

**Matthew 25:44-46**

**Reflection on Compassion:**

"In Matthew 25:44-46, Jesus speaks about serving Him by caring for the least among us. How does the concept of providing food for the hungry align with this teaching? Share a personal experience or observation that illustrates the impact of compassionate acts like providing food. How can our group practically demonstrate this compassion during the Christmas season through a food program for the less fortunate?"

**Understanding the Least of These:**

"Jesus identifies Himself with the 'least of these' in Matthew 25:44-46. Discuss who the 'least of these' might be in our community today, especially during the Christmas season. How can our food hamper program specifically address the needs of those who may be hungry or struggling? What steps can our group take to ensure that we are genuinely reaching and ministering to those in need?"

**Application in Daily Life:**

"Matthew 25:44-46 emphasizes the eternal significance of our actions towards those in need. How can we practically incorporate the principles of this passage into our daily lives, especially during the Christmas season? Consider sharing specific ideas on how we can make a lasting impact on the lives of the hungry through a food program. What role can each member play in implementing and sustaining such an initiative?"

## **Reflection on Personal Transformation:**

"Jesus speaks of both the righteous and the cursed in Matthew 25:44-46, highlighting the transformative power of compassionate actions. Reflect on how engaging in a food program for the poor can transform not only the lives of those we serve but also our own lives. Share instances where you have witnessed personal transformation through acts of service. How can participating in such a program during Christmas cultivate a deeper understanding of Christ's love and grace in our lives?"
